# MCC International Volunteer Exchange Program

Next Sunday, February 26<sup>th</sup>; Duane Beachy MCC SWAP Coordinator, will be speaking during both services.

Three International Volunteer Exchange Program participants will be speaking to the youth and jr. youth during the Sunday school hour.

The International Volunteer Exchange Program (IVEP) is a vocational and cultural exchange program. International young adults between the ages of 18 - 30 from 30 countries, come to Canada and the United States for one year, from early August until the following July.

The objectives of IVEP are to:

- promote international peace and reconciliation
- help participants understand themselves and others better
- promote international goodwill, understanding and friendship
- increase a sense of personal involvement and responsibility in a world of inter-related peoples
- strengthen bonds of Christian fellowship
- broaden horizons and views
- correct stereotypes and misconceptions about other peoples
- help participants gain vocational skills through a volunteer work placement

The program is partly self-financing, with some MCC funding, and does not generate money for the participant, host, or sponsor.

Participants are selected by mid-January, so the application process must begin up to 6 months before this deadline, depending on the IVEP committee in your country.
